

**DAB Jet-pump rostfritt stål 1"**  
**invändig gänga 8bar 6,6A**  
**230VAC rostfritt stål**  
**själv sugande type Garden Inox**  
**132 M (7033383)**

# TEKNISKA SPECIFIKATIONER

|   |                   |
|---|-------------------|
| Färg                                      | rostfritt stål    |
| Material                                  | rostfritt stål    |
| Pump body                                 | rostfritt stål    |
| Material impeller 1                       | teknopolymer      |
| Modell                                    | själv sugande     |
| Anslutning                                | invändig gänga    |
| Volt                                      | 230VAC            |
| Max temperatur                            | 35 °C             |
| Minste mellantemperatur<br>(kontinuerlig) | 0 °C              |
| Tryck                                     | 1 "               |
| Max omgivningstemperatur                  | 40 °C             |
| Sug                                       | 1 "               |
| BEP Head                                  | 54                |
| Typ                                       | Garden Inox 132 M |
| Storlek                                   | 1"                |
| Effekt                                    | 1 kW              |
